**Re: BMX QLD Corona Virus Policy**

Dear Members and Club Committees,

In light of the recent concerns around the spread of the corona virus and the ban applied by the Federal Government from Monday 16th on non essential events of more than 500 people, BMX QLD has withdrawn sanctioning for all Regional level sanctioned events (open days) and above from the 16th of March through to 31st May. The BMX Qld board will review the events sanctioned in June & July depending on the corona situation at the time.

This decision has not been taken lightly and BMX Qld take the health and wellbeing of our members very seriously. The BMX Qld board will review the corona virus situation as it unfolds and for more information on the corona virus please reference government site [www.health.gov.au](http://www.health.gov.au)

Thanks

Regards

BMX Qld Board
