**RE: COVID – 19, Stage Two Restrictions.**

Dear BMX Queensland Zones, Clubs and Members

BMX Queensland takes the health and wellbeing of our members, volunteers and staff very seriously. For this reason, and in line with new restrictions announced by the Australian Government that came into effect at midnight Wednesday 25 March 2020, BMX Queensland has decided to direct its member/affiliated clubs and zones cancel all club racing, training and club coaching activities until further notice.

You are welcome to contact BMX Queensland with any queries, as we seek to remain connected with our state's BMX community through this difficult time. Please keep in mind that the decision to cancel BMX activities was not taken lightly and has been made in the interests of keeping people safe.

Our governance partners, CPR Group, have been helping clubs to prepare for the current period of closure and assisting volunteers to respond to the current COVID – 19 crisis. Should you wish to discuss the process for suspending your club's operations and making the best use of your committee's forced downtime, please contact CPR Group at [www.cprgroup.com.au](http://www.cprgroup.com.au).

As a reminder from the Australian Government:

**Protect others and stop the spread**

We can all help slow the spread of COVID-19 in Australia.  
To protect others you must:

- [practice good hygiene](#)
- practice [social distancing](#)
- follow the [limits for public gatherings](#)

- understand how to [self-isolate](#) if you need to

For further information on corona virus please reference to government sites, <https://www.australia.gov.au/> and at <http://www.health.gov.au>.

Regards

BMX Queensland Board & Staff
